

1606-1612

Was Jamestown almost seven
yr period in 770 yrs. Indian tribes
that had eagerly supplied corn,
but not any more

The English responded by raiding
the ~~English~~ Indian villages, to seize
food - provoked attacks that left
James Fort besieged

July, 1606

Christian IV of Denmark visited his
brother-in-law, James I, and Harrington
has this to say about the resulting
festivities

Jan 31, 1606

Jury Fawkes convicted for his part
in the "Gunpowder Plot" against
the English Parliament and against
King James I, was executed.

1606-1610

1912 Dates J-BK

Revolt and civil war in
Russia.

1606

John Tepton Esquire undertook for a wager to ride 6 days together betwixt York and London, being 7 score and 10 mi $(7 \times 20) + 10 = 150$ mi. He first set out from Aldergate, MAY 20th (being MONDAY) 1606, and accomplished his journey every day, before it was dark ... [and having done 900 miles to and fro in 6 days: returned to Greenwich in as fresh as when he 1st began.
